

WAYNE'S JEWISH PRESCHOOL

Vision

Imagine an immersive educational experience with strong Jewish foundations. Rich experiential learning that puts children first. A warm and nurturing environment for preschoolers to engage in the world around them using natural materials and creative modes of expression. Meet Gan Chabad Preschool.

Philosophy

Children, teachers, family, and community all come together at Gan Chabad. Jewish values drive the early childhood experience, where caring staff model kindness, respect, compassion, confidence and responsibility. We foster children's development in a safe and engaging environment as they express themselves through words, movement, art, play, and other natural modes of expression. With a Reggio-inspired curriculum, our little students explore the world around them using natural materials, while building healthy tools for communication that will lead to a successful and meaningful life.

“כִּי הָאָדָם עֵץ הַשָּׂדֶה”

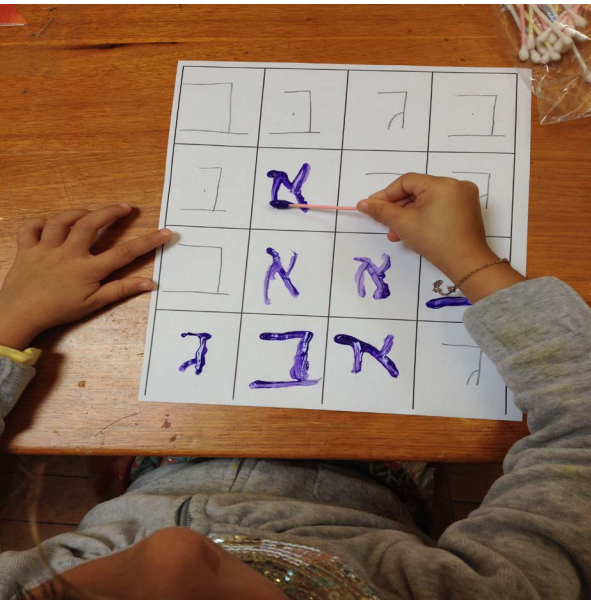

**“A person is like
a tree of the
field.”**

(Deuteronomy 20:19)

**In Jewish
thought, a child
is viewed as
a seed, to be
nurtured with
utmost care.”**

Opportunity

There are many young families in the greater Wayne area. Currently there is no quality preschool founded on Jewish values in Wayne. Recently, Chabad had the opportunity to acquire a new property for this purpose. The time is right for Wayne to join the ranks of other New Jersey suburbs by building The Gan Chabad Preschool.

Need

The greater Wayne Jewish community needs a preschool that combines modern educational methodologies and strong Jewish values in a warm and nurturing environment.

**These are the
core years of
development.
Our little ones
deserve the
best!**

Plan

The Gan Chabad Preschool plans for a Jan. 2023 enrollment. Starting with one class, each year we will grow and expand further until we can offer a full early childhood learning center for children 18 months to 5 year old.

Our school will be fully licensed by the State of New Jersey.

Projected Growth

YEAR 1 2023	10 STUDENTS	1 CLASS
YEAR 2 2023-2024	25 STUDENTS	2 CLASSES
YEAR 3 2024-2025	36 STUDENTS	3 CLASSES

**We believe
in child-
centered
education.
Each child
is an entire
world.**
